Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

A notice of abandonment was mailed on 27 May 1999 for failure to respond to the Office Letter mailed on 13 August 1998. On 26 September 2001 and 30 September 2002 notices were mailed stating that prosecution of this application has been suspended pending the outcome of Interference No. 103,630. As the suspension period has expired and no petition to revive the application has been filed, the status of the application is now abandoned.
